

ARTWORK CHECKLIST

To ensure you get the best print results here's a handy artwork prep checklist.

- ✓ Supply artwork as high res print-ready PDFs or Illustrator EPS file
- ✓ All links embedded or high-res linked files supplied
- ✓ Minimum of 25% final size (please indicate what scale used)
- ✓ Any images used @ min of 300dpi @ 25%
- ✓ If cutting to shape or specific break/joins are required please indicate this with a cut path on a separate layer . (template can be supplied on request)
- ✓ 5mm bleed all round with crops to print size
- ✓ Fonts outlined
- ✓ Pantone colours referenced
- ✓ For white ink indicate this using a spot white colour on a separate artwork layer
